

THE MOST IN DEMAND LARRY ROBBIN WEBINARS

This list is based on the current level of requests from all types of programs. The list is updated on a bi-monthly basis. Larry offers over 100 webinar topics so there are many more to choose from. Send an email to <mailto:larry@larryrobbin.com> to get descriptions of any of the webinars on this list and for information on other webinar topics.

Webinars are available in a number of customized versions for various populations and types of programs. For example, the trauma webinar can be done in an all population version as well as in customized versions for youth, people who are homeless, people who are justice involved, people in poverty, people with disabilities and a number of other populations. It can also be done in versions for various types of programs such as America's Job Centers, social enterprises, supported work programs, training programs and other types of programs. When you contact Larry about your training needs, he will do an assessment to identify the population and program model you want to focus on in the webinar. This process will ensure that you get the right webinar for your needs.
